PART OF YMCA NORFOLK

Volunteering Opportunity

- ▶ Are you over 18?
- ▶ Could you or someone you know spare 2 nights a month?
- ▶ Want to develop and gain skills?
- ▶ Have an interest in helping others?

Project Safe Haven has had great success in helping people within their local community. Volunteers have the opportunity to grow and develop their skills through helping the public at their time of crisis, undertaking a variety of training and building their own confidence to achieve their dreams.

The team enjoys working alongside a fantastic group of volunteers, without them this project would not be the success it is. These opportunities include support, sexual health advice, advice and guidance for further support networks or by simply being a friendly face to brighten someone's day with a chat.

All Training Provided

Volunteers are required to undertake an Enhanced DBS check.
