

Hear for Norfolk is here to help!

Supporting people with hearing loss and related conditions

Do you have problems with your NHS hearing aids?

If 'yes' then our Hearing Support Service is the solution!

Hear for Norfolk provides *free* assistance with:

- Routine maintenance and repairs of NHS issued hearing aids, including cleaning ear moulds, supply and replacement of plastic tubing between the hearing aid and ear mould/domes, top hooks and filters
- Testing and replacing batteries
- Providing guidance on the use of hearing aids, and
- Signposting users and families to other specialist services

Hear for Norfolk offers its outreach Hearing Support Service, delivered across Norfolk by a small team of staff and a team of well trained and dedicated volunteers, via:

- Home visiting
- Community based clinics
- Mobile clinic
- Telephone support
