The British Red Cross helps people in times of crisis

For someone having mobility problems, the right equipment can mean the difference between maintaining an active life and being isolated at home. Our mobility aids short-term loan service helps **thousands of people every year**. Our team of staff and volunteers will support you to borrow equipment that is right for your needs, or signpost you to a service that can.

The initial loan period is **eight weeks**, but a further short-term extension can be offered if necessary. The service is **donation-led** so we will ask service users to make a donation. We will also invite you to Gift Aid your donation if you are able.

Home delivery and collection service

We offer a home delivery and collection service across Norfolk and Waveney, at a cost of £15 each way. This is bookable online at **redcross.org.uk/get-help**, or by contacting the outlets directly.

We often have reconditioned second-hand wheelchairs available that have been cleaned and serviced ready for resale. For someone who needs a wheelchair on a longer-term basis this can be an affordable way to purchase a wheelchair. Please contact the outlets directly to find out about stock, which is subject to availability.
