## **We offer the following services to cancer patients and their loved ones**

Our Centre is staffed by Volunteers who offer support, friendship and information to cancer patients, their families and carers – indeed anyone whose life is touched by cancer in the Dereham area.

Visit the Centre for a cuppa and a chat with one of our volunteer befrienders, some of whom have had cancer themselves and may have experienced what you are going through. Others have lost a loved one to cancer and are now here to support you. We are here to help with your cancer journey.

Our quiet room is ideal for one to one discussions. The community room is used for coffee mornings and workshops. The games room has a pool table and there is always a jigsaw on the go!
